Hartland Farms, B & T Family Limited Partnership, P & M Family Limited Partnership, P & M LLC has stockpiled waste in three different locations. The stockpiles have been at these locations several weeks now.

1. Dowling Hwy west side 1/2 mile south of Beecher Road.
2. Dowling Hwy west side 1/2 mile north of M-34 or Carleton Road.
3. Hawkins Hwy. east side 1/4 mile north of Forrister Road.

My understanding of the new permit and from numerous discussions is that stockpiling is not allowed under the permit???

Is DNRE allowing stockpiling???
